Dear Anne,

Thank you so much for SPBA's generous gift of \$1,500. Your organization's support helps Second Helpings fight hunger from all angles—and ensures that our neighbors across Central Indiana have the nourishment and hope they need.

Because of you, Second Helpings is able to:

- Prepare and deliver thousands of fresh, nutritious meals each day to more than 200 local nonprofit partners—including shelters, senior centers, and after-school programs;
- Provide groceries and staples like fresh produce and fruit, milk, and bread to 70+ food pantries across the region;
- Distribute convenient, healthy “grab-and-go” meals to food pantries, community centers, group homes and Gleaners2Go—giving families and homebound neighbors quick, ready-to-eat options when time and resources are tight; and
- Your donation not only fills plates—it fuels opportunity, dignity, and connection for so many.

Your donation not only fills plates—it fuels opportunity, dignity, and connection for so many.

We're truly grateful to have you in our community of supporters. Your generosity makes it possible for us to rescue more food, feed more people, and create more lasting impact—together.

With heartfelt appreciation,

*Alison*
